“An online search led me to *Tarot for Women* and Sinead Fine. Not only did I find a **wonderful sense of sisterhood in the Facebook group** but an extremely knowledgeable Tarot mentor! Through these courses, I was able to study everything from the meaning behind the Ten of Swords and The Moon card to how to **enhance my intuition** and discover my Inner High Priestess. The courses invited me to **challenge myself on so many levels**, not only in learning about the cards and how to do readings but also in discovering **how I relate to the Tarot as a woman**.

Supercharge your Intuition E-Course

SUPERCHARGE YOUR INTUITION E-COURSE

One of the most common questions women ask is,
“How do I increase my intuition” or
“How do I gain more confidence in my intuition” or
“How do I know when my intuition is speaking to me”.

So I created **Supercharge your Intuition** to help
you find answers to all those questions.

The course is comprised of **7 in depth lessons** to study
and practice at your own pace.

Easy Oracle cards Ecourse

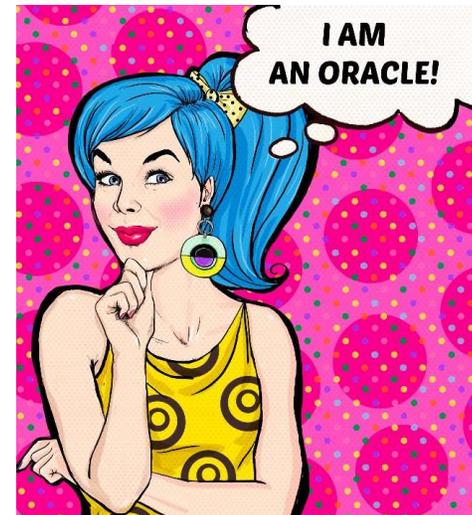

Most women who fall in love with Tarot, also start to use Oracle cards.

The e-course explores **in depth how to use Oracle cards** and introduces you to many wonderful decks.

This course is comprised of Five Modules.

Each Module contains between 3 – 4 lessons. A total of over 15 classes.

Easy Tea Leaf Reading Ecourse

I have been reading Tea leaves for years and I discovered early on that women often loved a cup of tea with their Tarot reading. At the end of the Tarot reading I would often read the Tea Leaves in their cup.

If this interests you, then this is a unique course where I teach you my Irish family tradition of reading cards. My aunt and Great Aunt are/were Tea Leaf Readers.

The course is comprised of 6 modules, each containing 3 – 6 lessons. A total of over 20 classes.

Masterclass Tarot and Shamanism

You might think to yourself,
"What has Shamanism got to do with Tarot?"

After finishing a three year shamanic apprenticeship many years ago, I can tell you that it has everything to do with Tarot!

Shamanism makes Tarot come alive like no other technique that I know.

Here I will teach you a little about Shamanism and its core techniques. Then I will explain how you can use these techniques to explore your own soul mysteries.

lore your

Masterclass Tarot and Manifestation

Manifesting, thinking abundantly and magick are all intertwined.

We have the power to create the future we want.
It is as simple as that. We do not have to be victims of life.
Granted, we cannot control life but we can definitely
decide what we want and aim for it to the best of our ability.

Tarot is a great tool to help you manifest what you want!
I have over 20 years experience working with
Tarot and Magick and it works!!!!

Masterclass Tarot and Love

Love is one of the most common topics covered by Tarot. No matter where I traveled in the world, the issue of love came up for the person I was reading for. As women, love is often a central issue for us.

In my opinion there are three things you need in order to become an expert in LOVE, both for yourself and for those you read for.

ONE - Understand the dynamics of relationships

TWO - Understand the love cards in a Tarot pack

THREE - Learn some specific spreads to help with LOVE questions.

This comprehensive lesson covers all the above!

Masterclass Tarot and Your Inner World

What has self development got to do with Tarot?

WHY, EVERYTHING!

The more you understand yourself the better a person you will be and a better tarot reader you will become.

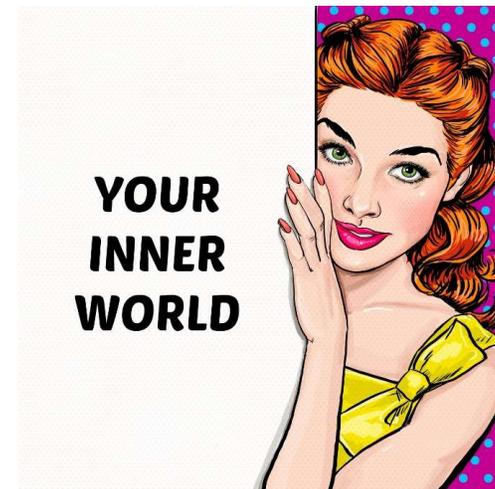

I will explore self awareness and development in FOUR ways -

ONE - Jungian Psychology

TWO - Self Development Exercises

THREE - Tarot and Dreams

FOUR - How to deal with your Sensitivity

Masterclass Tarot and Women's Mysteries

Women's Mysteries are those secrets that traditionally only women were permitted to know. Now thanks to The Red Tent and many other feminine movements, the mysteries of being a woman are now being brought back.

You will find how to connect to your Divine Feminine and make it part of your daily life. You will explore various Tarot spreads that can be used by women at different times in their lives.

We will explore Women's Mysteries and how Tarot can be incorporated into the magic of who you are today. There is nothing more beautiful than a confident empowered woman..

Masterclass Tarot and Astrology

The Tarot is embedded with Astrology.

The Rider Waite deck is based on the Golden Dawn tradition who were very big into astrology.

Since there are many clones today of the RW deck, many decks have astrology embedded into them.

This Astrology class will move on from the Certificate Astrology class and go ever deeper. We will explore your birth chart, the planets, your Sun, Moon and Ascendant Tarot cards. Your unique Court card, your cards laid out in the 12 houses, the Golden Dawn system and much more.

Masterclass Tarot and Qabala

Qabala with a 'Q' is a Western Mystery version of Kabbalah which is the Jewish philosophical quest for understanding God.

The Golden Dawn (an occult group) used Qabala extensively and the creators of the Rider Waite Smyth deck were members of the Golden Dawn.

Therefore if you want to REALLY understand the Rider Waite Smith deck or any of its children (about 70% of modern decks are based on the RWS deck), then at some stage you need to dive into Qabala.

I am a fluent Hebrew speaker (Yes I am Irish but I am married to a Jewish man) so everything you learn and the pronunciations in this unique class will be authentic.
